

## Downloading “DBE Directory for EBS”:

Right mouse click on the [DBE DIRECTORY FOR EBS](#). Select “Save Target As” from the menu.

Save the file to C:\EBS\Download.

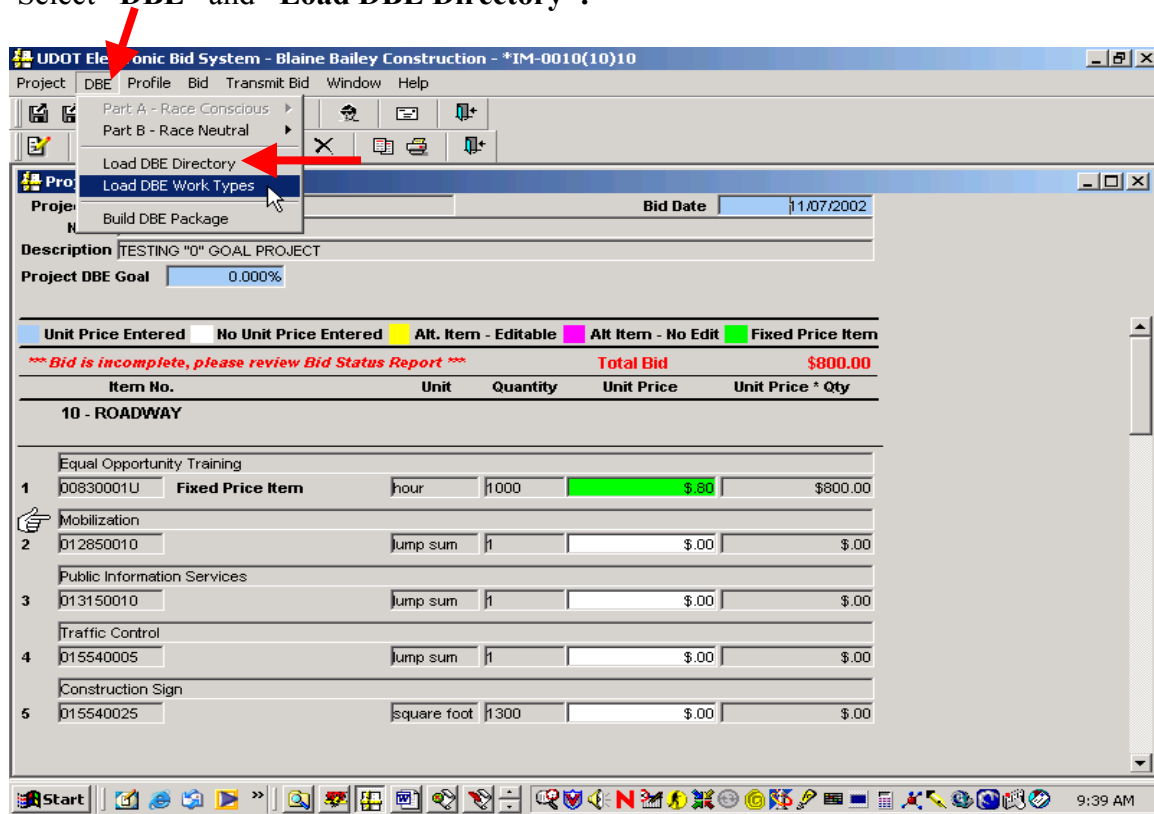

To install the directory, open UDOT Electronic Bid Program by double clicking the icon

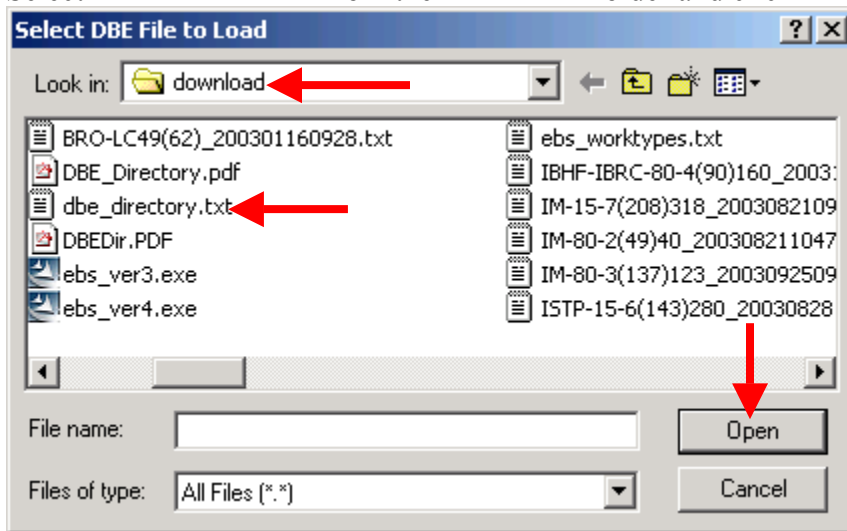

on your desktop.

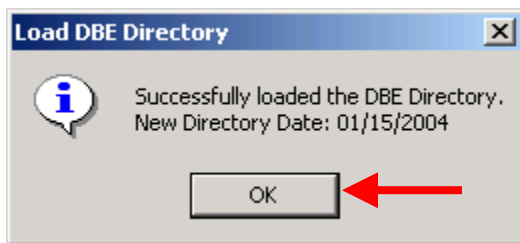

Select "DBE" and "Load DBE Directory":

Select **dbe\_directory.txt** from the **download** folder and click **Open**.

The following message will appear when the load is complete. Click, **“OK”**

**NOTE:** Please check the download website for modification dates. It is your responsibility to make sure you have the current DBE Directory for EBS when bidding. If you do not have the current directory your bid could be declared non-responsive.
